

High-Frequency Word Cards

The following lesson sets use this resource:

- Introducing High Frequency Words
- Reviewing High Frequency Words
- Reading Sentences with Taught Words
- Reading a Text
- Practice Games

This list contains high-frequency words. These are printed in a large font to make it easy to print and cut into parts to make cards for students to practice reading. There is also a High-Frequency Word List containing all of the words in smaller font. These word lists are designed to be used with the Lesson Templates from the Foundational Reading Lesson Set for the Inclusion in Texas Network. These word cards were created by Devin Kearns (devin.kearns@gmail.com). We hope these cards and the Phonics Lesson Templates are helpful to you!
